

# Maps

## TEACHER RESOURCE

Encourage students to make their own detailed maps of various settings from their Who Was...? books. Maps should be labeled and colored. An extension would be to have the students research actual distances between locations and add “scales” to their maps!

### TEACHER’S NOTES:

Series of horizontal dotted lines for writing notes.

## Create-Your-Own-Map

Draw your own map from one of your Who Was books! Maps should be labeled and colored.
